# WELCOME LETTER

We are delighted to announce that the **9th Congress of the Serbian Neuroscience Society** will take place from **6 to 8 October 2025 at The Palace of Science in Belgrade, Serbia**. On behalf of the Organizing Committee, we are pleased to invite you to join us for an exciting scientific program at this prestigious event.

The program features a collection of Plenary Lectures, Sessions, Poster Presentations, Round Table Discussions, and Workshops, carefully selected by the Program Committee. These activities embrace a diverse array of topics ranging from cellular, molecular, systemic to behavioral neurobiology. Our aim is to provide a comprehensive overview of the latest advancements and foster in-depth discussions on various aspects of neuroscience.

We have allocated ample time for poster presentations to ensure a balanced congress program. These activities offer an opportune time for delegates to meet colleagues, foster ongoing contacts, build new collaborations, and facilitate professional development.

The Serbian Neuroscience Society is committed to supporting the next generation of scientists. We are pleased to offer **Travel Awards for PhD students and early-career researchers**. In addition, awards will be given for the best poster presentation and best symposium lecture, recognizing outstanding scientific contributions.

We welcome you to the magnificent city of Belgrade and hope that you all have a successful and rewarding experience at the 9th Congress of the Serbian Neuroscience Society.
